Artropolis and Merchandise Mart International Antiques Fair

Chicago

Who: For art-lovin', culture-grabbin' families, shopping soulmates, and those "I really want to impress" first dates.

When: Friday, April 30 - Monday, May 3

Where: Merchandise Mart, downtown Chicago

Why: Because it's two shows in one—you can surround yourself with all things pretty, and pretty old. And it beats flipping through home decor mags for new ways to decorate!
